

# Teranex Mini Smart Panel

## Monitor video on your converter!

The Teranex Mini Smart Panel takes the guesswork out of using a converter! Now you can see the video going through your converter using the built in LCD screen. The panel also features push buttons and an easy to navigate on-screen menu that lets you quickly adjust and save settings. The Teranex Mini Smart Panel is perfect when you're out in the field or on set without external monitors, or even when you have multiple converters mounted in equipment racks and just want to see what's going through them all!

### Step 1

Remove the two screws on each side of the existing panel and gently pull it off.

### Step 2

Plug in the Teranex Mini Smart Panel and fasten using the screws.
